## **Chapter Bulletin Contest**

This is a wonderful opportunity to receive feedback from Society member volunteers who are experts in the field, and to receive recognition / honor of your fellow barbershoppers.

Each judge should receive 3 consecutive issues of a chapter's bulletin. The Layout and Reproduction judge should receive the cleanest copy for his review. Please insure that you enclose the packaging and postage necessary for the judge to return the bulletins to you. Do it now to allow the judges sufficient time to do their job to the best of their ability. Most judges this year will have several districts so the sooner you can get the materials to them the sooner they can get them back to you.

You will receive constructive suggestions how to make your bulletin top-notch. There are no "losers" in the bulletin contest. Every chapter wins, because communications improve.

If your chapter has a bulletin, ENTER IT.

Hopefully every chapter has a bulletin, and it is the vehicle to get RMD Weekly information out to the members.
