RMD FALL CONVENTION: HEADQUARTERS HOTEL TELEPHONE NUMBER

The phone number for the Marriott in Layton is 801-217-2300

Please ignore any previous reference to an exchange with "297"...the hotel gave Kevin Pape a wrong number, and it has been on our District webpage and in other locations. Sorry for the inconvenience. Please circulate this information to ANYONE who would be needing it.

REHEARSAL SPACE AND LODGING IN THE RMD ROOM BLOCK

We have received some feedback regarding the injunction that all RMD chapters cheerfully enjoy the benefits of lodging in the RMD room block (the benefit is: complimentary rehearsal space) or pay for your rehearsal space if you do not make your reservations within the room block. Constructive ideas have been noted and will be discussed for future policy; angry rebuttal has been addressed and hopefully new light has helped them see what may have been missed. Worries have been replaced with confidence.

In short, if all members of our association lodge within the negotiated room block (at the negotiated price) the hotels provide rehearsal space as a complimentary benefit, and this is passed on to YOU. On the contrary, if members of our association defeat our "power in numbers" and choose to lodge outside the negotiated room block, the association loses the complimentary benefits and HAS NO FREE REHEARSAL SPACE TO PASS ON TO YOU. When the association gets the bill for this rehearsal space, it isn't going to dig into the treasury which is "co-owned" by the approximate 1200 members of the RMD. No, the chapter that used the rehearsal space will pay for the rehearsal space, which is only fair. We thought you ought to know your options before trying to save a few dimes and being hit with big bucks.
