DO YOU HAVE A SINGING VALENTINE -- NEW MEMBER STORY?

The Society is seeking an interview with a member who joined as a result of a Singing Valentine...either seeing, experiencing, or purchasing one. The interview would be for a Harmonizer article, which needs to be written soon, so please reply (TonyChiro@juno.com or 303-233-6234) and provide a name and phone number of the person to be interviewed.

Singing Valentines are high-visibility and high-impact outreach and can be a very effective recruitment tool. We are hoping to develop strategies that would capitalize on that opportunity.

If your chapter has experienced this success, please share your story.
