## NEW CHAPTER PRESIDENTS TO BEGIN RECEIVING RMD WEEKLY

We'll use the new Chapter Presidents listed on the Society website (see above) to build a new directory for distribution of the RMD Weekly. If you would like to update me directly with the name and Email address of your 2008 Chapter President, reply to this Email with the following: CHAPTER NAME, President's Name, President's Email, your name and Email to delete.

To those now becoming Immediate Past President of your Chapter, thanks for your year(s) of service and please do not withhold your wisdom from experience to help your new President and Board. While you want to give your new leaders the freedom to lead, they'll appreciate avoiding mistakes by a KIND WORD from someone who has learned by experience.

## REGISTER YOUR CHAPTER NOW FOR SOCIETY-WIDE BLOOD DRIVE

"Singing For Life" is an opportunity of MONUMENTAL proportions for the lives that will be saved by what is hoped to be the largest EVER single day of blood collection as well as the lives that will be enriched by exposure to barbershop harmony (and perhaps some "new blood" in our own chapter choruses).

**RIGHT NOW**, register your chapter by going to [www.singingforlife.org](http://www.singingforlife.org) or get more information at [www.barbershop.org](http://www.barbershop.org). Once registered, you will be given contact information of the local blood donation agency with whom you will work. This NATIONWIDE collection will be on May 10 (day before Mother's Day) and will be WIDELY PUBLICIZED with the benefit of non-profit public service announcements available to blood donation centers. Currently there is ONE CHAPTER in the Rocky Mountain District who has registered: MT. RUSHMORE. Congratulations, guys. Now, everyone else please follow their lead. Sponsor this service that everyone in the community will highly regard, have your chapter chorus and quartets (and other music groups that you invite...sweet adelines, high school groups, church choirs, community singing groups, etc) plan to SING for the volunteers who donate. This is a WIN-WIN that can elevate the COMMUNITY SERVICE aspect of our public image across your community and across America.

We need 100% participation. Register **NOW**. Thanks.
